# Granger Elementary

# School Community Council (SCC) Meeting Agenda

Date/fecha: Tuesday, Mar 12. 2019/ Martes, 12 de March de 2019

Time/tiempo: 4:00-5:00 pm

Topic/FTE and Land Trust Plan

Location/ Ubicación: Library/ Biblioteca

II SHY SIM

### SCC Members Attending/ miembros que asisten a:

- Parents/padres:
- Yomira Delgado
- Endrina Gutierrez
- Aracely Oliva
- Tim Donaldson
- Bernardo Cervantes
- Kaylyn Alatini
- Dania Perez
- Aisla Sheikh
- Lauren Webber
- Josh Webber

### Staff Members/ miembros del personal:

- Amber Clayton
- Jenica Helmstetler
- Brayden Walker
- Miriam Bugden
- Brittany Donaldson
- Renee Apolin

Facilitator/facilitador: Kaylyn Alatini

Timekeeper/Cronometrador: Renee Apolin Recorder/grabadora: Brittany Donaldson

### Meeting Objectives/ objetivos de la reunión:

- ✓ Discuss staffing plan for next year
- ✓ Draft Land Trust Plan

### Materials we will use at the meeting/materiales que utilizaremos en esta reunion;

- ✓ Projected FTE for 2019-2020 Hand-out
- ✓ School Community Council Draft

#### Schedule/Horario

March 7, 2019

| Grade | # of students<br>based on District<br>Projections | # of students<br>based on Current<br>Student Levels |
|-------|---|---|
| K     |   | 119   |
| 1     |   | 115   |
| 2     |   | 116   |
| 3     |   | 105   |
| 4     |   | 110   |
| 5     |   | 143   |
| 6     |   | 112   |

The Granite School Board has given each school's School Community Council the responsibility for approving the next year's staffing plan. The staffing plan indicates the number of classes per grade level we intend to staff for the following year. The Granger El SCC will vote on March 12.

# Goal #1

#### Goal

Granger Elementary 2019-2020 RISE Science scores for students in grades 4-6 will increase by 3% or greater over results on the 2018-2019 RISE Science exams.

## Academic Areas

Science

#### Measurements

After evaluating Science scores over the past several years, our SCC noticed that our students were making significant growth in the area of science. The SCC had an interest in finding ways to promote this interest by engaging in STEM activities that would prepare them for secondary and post-secondary education as well as real world jobs of the future.

For this reason, the SCC dedicated 2018-2019 Land Trust funds into opening a STEM lab with a dedicated Science teacher. The SCC has already examined student survey data as well as parent feedback and is determined to continue the investment in the STEM Lab utilizing 2019-2020 Land Trust funds.

2019-2020 RISE Science proficiency scores will be used to measure the progress towards the 2019-2020 goal.

While students have not yet taken the 2018-2019 RISE Science exams, 2017-2018 and 2016-2017 SAGE Science proficiency data is shared as baseline below.

#### Baseline Years

2017-2018 SAGE Science Proficiency

4th Grade

35% (+17)

5th Grade

22% (+9)

6th Grade

19% (+2)

2016-2017 SAGE Science Proficiency

4th Grade

18%

5th Grade

13%

6th Grade

19%

## Action Plan Steps

- Step 1. Granger Elementary will hire or retain a qualified teacher to serve as a science specialist serving students in grades 3-6.
- Step 2. Granger Elementary will promote the SCC's investment in the STEM Lab with parents and the community-atlarge through social media, tours, and STEM events.
- Step 3. Granger Elementary will seek additional partnerships and grants to expand the impact of the SCC's investment in STEM education.
- Step 4. Granger Elementary will use survey feedback and achievement data to measure the impact of the STEM Lab on student academic growth and confidence in Science.

## Expenditures

| Category   | Description  | Estimated<br>Cost |
|--|--|-------------------|
| Salaries and Employee Benefits (100 and 200)                       | Granger Elementary will hire or retain a qualified teacher to serve as a science specialist serving students in grades 3-6.              | \$98,314          |
| Technology Related Hardware/Software<br>(< \$5,000 per item) (650) | Granger Elementary will purchase electricity supplies to support 5th Science Core standards.   | \$1,000           |
| Equipment (Computer Hardware,<br>Instruments, Furniture) (730)     | Granger Elementary will purchase a District-supported laptop with Screen Beam technology for the STEM Lab.                               | \$1,000           |
| Printing (550)   | Granger El will purchase a color printer for the preparation of STEM Lab instructional materials.  | \$500             |
| Technology Equipment > \$5,000 (734)                               | Granger Elementary will purchase a portable projection room for the study of seasons, planets, starts, and other astrological phenomena. | \$2,500           |
|  | Total:   | \$103,314         |

Increased Distribution Edit

The 2019-2020 distribution in this plan is an estimate. If the actual distribution is more than the estimate, how will additional funds be spent to implement the goals described in the plan?

If Granger Elementary receives an increased distribution, we plan to purchase supplies and materials for a science lab in order to give students experiences with the tools needed to master core content. In addition, increased funds will be utilized as a community STEM night to engage parents and the wider community in our SCC goal.

## **Publicity**

Edit

- · Sticker and stamps that identify purchases made with School LAND Trust funds.
- · School newsletter
- · School website
- · School marquee
- · Other: Please explain.
  - Granger El will continue to conduct parent and partner tours of the STEM Lab. Granger El will also host a STEM night in the Spring of 2020.
