

**COUNCIL MEETING  
GRANGER ELEMENTARY SCHOOL  
01/04/2022  
1715**

- RISE PROFICIENCY BY SUBJECT WITH COMAPARISON SCHOOLS
  - Discussing the score and report for the month of January amending 2021
  - How we utilize the funds
  - Should we let go or stay on one subject?
  - If STEM is a progression than it should stay but needs improvement on the other 2 fields.
  
- STEM
  - Kids are excited to come to stem.
  - There are no state scores to show the impact GES has
  - LET the kids learn how to share, emotions and forces, learn how to do things without forces but learning
- Is science a need for 2022?
  - Yes
- Do we need to adjust the funding based on that need?
  - Yes
- WHAT SHOULD WE DO TO IMPROVE ON OTHER 2 FIELDS (MATH & ELA)
  - Set a goal and a plan to focus on the “M” part of stem
  - Focus on Math and ELA
- DISCUSSED COMMUNITY SAFETY ISSUES
  - Children’s safety while parent was picking them up
  - Discuss safety rules and boundaries
  - Parking
