

SCC October 2021

Discuss course and student enrollment priorities- DLI

DLI classes are small in the upper grades. Many phone calls are made to parents when students transition to first grade to recruit

Introduce current Safe Walking Route

The drop off zone in front of the school is a problem. Parents are not kind to each other. The option of having parents volunteer was discussed. There is also a problem with patrons parking in the condo's across the street.

Data and budget review

Most of the budget is unchanged. There will be a number of supplies ordered for Fall into Math night
CSI plan review

EdDirection reviewed CSI plan with administration. Ability of school to hire has greatly hurt the implementation of the plan.

Title I plan review

Title I plan is rolled into the Continual School Improvement Plan Goals were reviewed along with LAND Trust goals.
