Increase graduation and Reduce # of F's

Goal modifications: 9th grade students - needed to adjust this % from 80% to 60%

Mentors: Brought in a lot of additional support for staff for English, Math and Trackers

We have an average of 25% failing each quarter. We are going to change that to 20%

Additional Avid teachers -- whether they teach Avid or just using the strategies with all students

ACT class - will continue with some land trust money

Teacher training

Books & reading materials

A motion was passed to approve the plan.

Title 1: We could have an outreach parent night -- Asking the PTA to head this up.

Math tutoring grant ran out and is short \$718.00 We need to pay the difference. We are

Overage: \$717.03

Pay teachers for Math tutoring Feb-April Net \$1,120 x 3 = \$3773.55

9th Grade Academy

Dr. Dunn

Create an academy as we schedule they all have those core classes together.

What are we doing

How do we retain these kids

Try to get the 8th graders familiar with the admin and activities that are held at the

high
