## Master Schedule

The last 2 years the district has short changed us on the projection  
This year they are making allowances so we can hire an extra 6 FTE

## Interventions

Ben Anderson will send that information out to us.

Intervention time -- Increase

How do get additional time with their teachers

What do we do with the students that are proficient

Cyprus: Ben will find out more about Pirate Hour

Where are the students going to go

53% of our Freshmen have at least 1 F

Alex

Teachers are happy with student progress

Using for credit recovery

Students are feeling more confident

Teachers are giving passing grades based on student progress

## Trustlands money

This year we received \$ 202,000 this year

Next year may be around \$,000

## Community Council Elections

Who is up for their term to end

Need to post those openings in the fall -- 10 days before fall Parent Teacher Conferences

## We have 10 openings

4 sped positions

## Summer Reading Program

Give the students each a book

Students have an option to choose which books they want to read

Increase the amount of choices

Requested that the parents take a look at the list with an open mind and what should we approve

## **Standards Based Grading**

Proficiency based grading
