

Granger High School  
Community Council Meeting - Minutes  
2/12/19

2019-2020 LandTrust Plan - The plan will be voted on in next months meeting, different ideas were discussed for use of Land Trust funds, ideas included:

- Lowering class sizes
- Trackers
- ACT test practice
- Subsidizing ACT test cost for students
- AVID conference travel

Parent Center Update - Classes that are offered during the day were discussed, English classes, nutrition classes

Counseling Office Update - Counselors have a goal of meeting with each student during the school year. So far they have done this with their seniors and most of their juniors, they discussed the success of FAFSA, more students applied for FAFSA than any previous year, scholarship opportunities were discussed as well, upcoming ACT test plans and after school preparation

Parents wanted to discuss PBG grading practices and how it will affect their students, especially those going to college, Dr. Dunn addressed some of those questions with parents and asked if they would like to have a teacher join a future meeting to teach more about PBG
