If the student does not pass after two opportunities, he or she will need to obtain credit through the Granite Peaks program..

Credit recovery time is scheduled after school, Monday-Thursday in room E-203. Credit recovery packets cost \$10 per quarter credit.

G-PIN REQUIREMENTS

The G-Pin is an award for Granger students who have participated in a wide variety of extracurricular and curricular activities. It recognizes well-rounded students for showing Lancer Pride by being involved in their school.

Mr. Terry Hughes advises the program

GRANITE CONNECT

Granite Connect is an online program that will help those wanting to meet credit requirements before graduation. Classes will be limited to 50 students. Highly qualified teachers will teach online classes and the instruction will be very interactive. To participate in an online class a student must have parent permission, work through their school counselor and then be set up on the Granite Connect email system.

MAKE UP WORK

Teachers will allow students to make up learning activities and assignments for excused absences, giving a reasonable amount of time to complete the work. If a student was absent without a school-approved excuse, teachers are not required to accept make-up work. However, teachers may choose to allow students to fix unexcused absence issues (using ASDs, extra tutoring, etc.)

PROGRESS REPORTS (REPORT CARDS & MIDTERMS)

Progress reports (Report Cards and Midterms) are used to notify parents of a student's academic standing. Report cards will be given to students approximately one week following the end of each term to hand carry home, with the exception of the fourth term report (June), which will be mailed. Midterm reports will be marked at the mid-point of the term and the report given to the student. Parents are encouraged to contact the teacher of their student if they have a question regarding either academic or citizenship grades. Grades can be checked regularly on Gradebook (<http://grades.granite-schools.org>)

STUDENT EDUCATION OCCUPATION PLAN (SEOP)

A Student Education Occupation Plan (SEOP) is an individual planning conference involving parents, students, counselors and other personnel. The planning meeting supports the student in his or her educational and career goals. The State Board of Education highly recommends that a parent or guardian participate with their student and the school personnel in an individual planning conference each year. Notices will be sent home announcing these conferences.

STUDENT HELP, INTERVENTION, EXTRA LEARNING, AND DIRECTION (SHIELD)

The Student Help, Intervention, Extra Learning, and Direction (SHIELD) program is an intervention for students who are not progressing toward graduation and need extra support.

Students who fail certain classes may be removed from an elective class and placed in a SHIELD class period for one term. The goal is to surround all students will have the support they need to get back on track to graduation and receive the skills they need to return to good academic and behavioral standing. In SHIELD, failure is not an option and students are expected to make satisfactory progress in the ABCs (ATTENDANCE, BEHAVIOR, and COURSEWORK) to be able to return to their regular schedule. Administrators will work with students who choose not to be successful in SHIELD to find an academic environment in which they can have more success.

VALEDICTORIAN AND SALUTATORIAN

Many college scholarships and special recognitions are closely related to GPA. Certain classes however, are more indicative of intellectual achievement and effort than are others. Therefore, the following procedure for weighting the GPA will be used at Granger High School to determine Valedictorian (the top student in the class) and Salutatorian (the second-to-the-top student(s)).

GPA + .1 for each A.P. Class = WGPA

GRANGER SCHOLAR'S PATHWAY

ATTENDANCE

Please call (385)646-5337 to report (or excuse) an absence or to release a student

Attendance Policy & Rationale Regular on-time attendance is one of the biggest factors that influence academic success. Accordingly, all students at Granger High School are expected to be present and ON-TIME in all of their classes every school day. The responsibility for students' attendance lies first with the student and then the parent or legal guardian. Therefore, in order to help parents stay better informed, Granger High will provide an automated calling system to report when a student has missed one or more classes. Students and parents/legal guardians are reminded that absences adversely affect participation grades in their classes. These participation grades may weigh heavily in the determination of final academic grades. Seven or more days of absences, (or equivalent class periods), of excused absences within a school year, are considered excessive and may require a doctor's note to excuse subsequent absences. Parents and students are expected to excuse absences with the attendance office within one week of the last absence. Absences are excused for the following reasons: Personal illness, family emergency, doctor appointment, school-related activities, or vacations (preapproved with and assistant principal).

Check-in/Check-Out: Students who are less than 20 minutes late for a class period should report directly to class. Students who arrive later than 20 minutes, will be considered absent. These students will also need verification from a parent or guardian (a note or a phone call) excusing the absence. Students who leave school before the end of the day are required to check out through the Attendance Office. This may be done with parent or guardian permission only (a note or a phone call).

Excuse an Absence: Students who are absent from school should have their parent/legal guardian notify the school the day of their absence by calling the attendance office at (385) 646-5337. If you are unable to call on that day, students must provide a note from parent/legal guardian WITHIN ONE WEEK of the absence. The note must include the following information: student's name, date(s) of absence, reason for absence, and the parent/legal guardian's signature and phone number. Whenever possible, parents/legal guardians are urged to make medical or dental appointments after school hours. Any absence due to a school activity, a written Dr.'s excuse, court, or school suspension, will not count in totals or adversely affect participation grade or citizenship determination.

Consequences Related to Poor Attendance Behaviors: If students are unable to pay their truancy fines, an alternate method of clearing the fines will be provided, such as After School Detention, Saturday make-up, etc.

BULLYING

Bullying, cyberbullying, harassment, hazing, and other similar offensive conduct is also prohibited. Generally, this type of conduct includes an intent to cause distress or harm; involves a relationship with an imbalance of power; and includes repeated acts (or one serious act) of violence, intimidation, humiliation, or social isolation. Offending conduct can be physical, verbal, or written and may come in the form of social pressure, criticism, disrespectful behavior, or excluding others from an activity intentionally. Conduct may be intended as retaliation toward another person, which is also prohibited. Offending conduct may be obvious or subtle and it can include enlisting another person to commit the prohibited actions. Offending conduct can also be considered discrimination if the conduct is based on a person's race, gender, or some other protected classification.

Reporting and Correcting Offending Conduct

If you are treated in the ways described above, or you see another person being treated that way, please report the conduct as soon as possible. There are many ways to make a report:

- you can talk to your principal, teacher, or another employee at the school;
- you can leave a message in "Buddy Boxes" or deliver it in writing to the office;
- you can call or text the District Safety Hotline - Phone: (801) 481-7199, Text: (801) 664-2929;
- you can use the SafeUT application on your phone or your parent's phone;
- you or your parents can report to the District by calling the School Accountability Department: (385) 646-4510;
- you or your parents can report to the District by calling the Educational Equity Department: (385) 646-4205;
- you or your parents can report to the Office for Civil Rights, Region VIII, U.S. Department of Education, Federal Building, Suite 310, 1244 Speer Boulevard, Denver, Colorado 80204.

Administrators will investigate all reports, make corrections, and work to prevent further misconduct. School officials shall notify parents of incidents involving bullying, cyberbullying, hazing, retaliation, harassment, discrimination, or other similar conduct. Based on the severity of the conduct, students may receive discipline including parent/guardian conferences, suspension/expulsion, referral to law enforcement, placement outside the school, and/or other discipline that is appropriate. This policy covers conduct occurring at school and conduct outside of school if it affects the school environment. False reports or allegations are prohibited and may also result in discipline.

For more information about these subjects, please contact the District Compliance Office by calling (385) 646-4009.

CITIZENSHIP REQUIREMENTS FOR GRADUATION

Satisfactory citizenship is a graduation requirement in Granite School District. This includes behavior, attendance, punctuality, and adherence to the rules and policies of the school. Students will be required to earn a 2.000 cumulative Citizenship Point Average (CPA) on a 4.000 point scale in grades 9-12. Students are awarded the following citizenship grade for each class each term:

4 - Honor | 3 - Good | 2 - Satisfactory | 1 - Poor | 0 - Failure

The student's CPA is determined by the following:

Behavior - An uncorrected series of negative behaviors or one serious incident may result in a "0" in citizenship.

Tardiness - On the fourth tardy from any one class, a student will not receive a grade higher than a "1".

Truancy - truancy is defined as a documented un-excused absence. For one "sluff" the student will receive a citizenship grade no higher than a "1". For the second "sluff" the student will receive a citizenship grade no higher than a "0".

0 - 3 Absences - Parent/legal guardian excused absences = Teacher will determine the Citizenship grade of 0 - 4.

4+ Absences - Parent/legal guardian excused absence = Student will receive a "0". (Four or more days of excused absences within a grading period are considered excessive and will require a doctor's note or other documentation as requested by school administration to excuse subsequent absences.)

High school students who achieve the required 2.0 CPA will be able to participate in graduation ceremonies; those who do not achieve the 2.0 CPA will be excluded. The final decision will be made by each high school's graduation committee. Transfer students will be required to maintain a 2.0 CPA to meet graduation requirements from the time they enroll in Granite School District.

1. The citizenship requirements for graduation will be provided to each student/parent by the beginning of each school year.
2. Each report card will reflect the citizenship grades for the term and the cumulative CPA which will reflect progress toward graduation. Sixteen report cards are issued to students who attend school in grades 9-12.
3. Students who are not at a 2.0 cumulative CPA at the end of each year will be notified that participation in graduation is in jeopardy.
4. Students who fail to meet the citizenship requirement for high school graduation may earn a Granite School District diploma.
5. If a student disputes a citizenship grade, it must be resolved with the issuing teacher before the end of the term following the one in which the grade was received.

CITIZENSHIP MAKEUP

Citizenship Make-Up Classes

Students will be given one citizenship hour for each class they attend. Credit is awarded every four completed hours (that is, credit is only awarded in fours). Citizenship make-up class will be held every Monday through Thursday after school from 2:15 to 3:45. Classes will be held in Credit Recovery, Room 119. Students need to arrive on time, be attentive, and remain for at least one hour. Students will be given time to work on homework and should come prepared with homework or a book to read. No electronic devices will be permitted.

Worth of Education Classes

Classes are held at Granger High and the Granite Education Center and are sponsored by Granite School District. Parents must attend with their student and 12 citizenship hours can be earned in which 3 fours can be made up. Go to room 119 after school for a detailed schedule. Parents and students may only attend one session for credit.

Night Forums

Students attending night forums sponsored by LAT will be given two hours for their attendance. Attendance slips must be turned in to a student's administrator in order to receive credit.

ELECTRONIC DEVICES ON SCHOOL PREMISES AND AT SCHOOL-SPONSORED ACTIVITIES

Electronic devices may be useful for student instruction, but the same devices have the potential to disrupt the orderly operations of a school. Consequently, schools have the authority to maintain acceptable use policies regarding electronic devices on school premises, during classes, and at all school-sponsored activities.

Using electronic devices to bully, harass, humiliate, or intimidate either students, employees, or patrons, will not be tolerated.

Prohibited uses include, but are not limited to the following: illegal activities, threats of any kind, discriminatory, abusive, or disparaging communication; any form of pornography or indecent content; solicitations or other inappropriate communications regarding sex or sexuality; and grooming. Students shall obtain consent before taking photographs or videos of other individuals. The use of electronic devices is prohibited in areas where there is a reasonable expectation of privacy such as bathrooms and locker rooms. Individuals shall exit these areas before using an electronic device, except in the case of a health or safety emergency.

Electronic devices used in violation of this policy shall be confiscated and returned to parents/guardians, subject to administrative and criminal investigations.

Granger High School and Granite School District are not responsible for the loss or damage to any electronic device.

FIGHTING

With the purpose of reducing conflict and ensuring peace and safety on school grounds, the Granite School District Board of Education approved a policy that any Granger student who has been determined to be a participant in a fight (whether on or off campus grounds) will be assessed a \$50 dollar fine. Participation in a fight will be determined by law enforcement personnel and school administrators. Those determined to have been encouraging others to fight or escalate a fight may also be charged the fine. Any person involved in a mutual combat fight/assault will face the following consequences: Suspension, Law Enforcement Referral, and fined \$50.

Students must pay the \$50 fine before returning to school. Students unable to pay the \$50 fine may participate in school service for 10 hours to suffice the penalty. Hours must be worked within 10 school days of returning from suspension or the \$50 fine will be enforced. All students involved in a fight will have to complete the Administrative Intervention program in addition to the penalties discussed above.

FREEDOM OF EXPRESSION

Students have the right to express their individual ideals and opinions as long as their conduct, dress, grooming, speech, etc. is orderly and non-disruptive to the educational environment. Students who, through their own actions, violate the rights of others or cause a disruption may subject themselves to the Administrative Intervention program.

HALL PASSES

Students are expected to attend classes on a daily basis and to be on time to their classes. There is no acceptable reason to be in the hall without a hall pass or an approved badge. Whenever it is necessary for a student to leave the room during a class period, or when the teacher finds it necessary to send a student on an errand, the student must have a hall pass. The hall passes are issued by the teachers, and they are responsible for students to whom they issue these passes. If a student is in the hall without a pass, it will be assumed the absence from class is un-excused. Students who repeatedly violate this policy will be taken through the Administrative Intervention process.

HAZING

Hazing or initiation activities on the part of or organizations sponsored by Granger High School are strictly forbidden. Students participating in any activities that might be dangerous or construed as hazing and/or physical or sexual harassment will be disciplined accordingly. "Mobbing" is a form of hazing and will be treated as such. Students who haze will be taken through the Administrative Intervention process.

LOITERING

Loitering at Granger High School is prohibited. Students are welcome and encouraged to attend and participate in a variety of school sponsored activities (i.e. tutoring, athletics, or clubs). Students who are not participating in such an activity must exit the building by 2:30 P.M. In addition to being cited by the West Valley Police, students who loiter may be required to complete an Administrative Intervention.

PROFANITY OR INAPPROPRIATE LANGUAGE

Profanity or inappropriate language at Granger High School is prohibited. Those found using profanity or inappropriate language may be required to complete an Administrative Intervention.

PUBLIC DISPLAYS OF AFFECTION

Respect for others includes being considerate of the embarrassment caused by excessive display of affection in public places. Students are expected to recognize that displays of affection may be considered excessive on the school grounds

both during regular school hours and during extracurricular activities. Such displays have no place in a school setting.

SAFE SCHOOL

Granger High School strictly adheres to Granite School District policies related to Safe Schools, Drugs, Alcohol and Tobacco. Possession of tobacco, alcohol, or drugs is illegal. Tobacco violators will be issued citations. Students involved in drug and/or alcohol situations will be subject to the Granite School District Drug and Alcohol Policy. Violation of both policies (Safe School or Drug, Alcohol & Tobacco) may include, but is not limited to suspension, probation from activities, and enrollment in a treatment program, law enforcement referral, and possible alternative placement. By engaging in these and related activities, a student may relinquish the privilege to attend Granger High School. Complete copies of these Board of Education policies and the sequential steps involved are available at the school upon request. Any student acts of violence, fighting, physical or sexual assaults or threats, possession of a weapon or facsimile, criminal behavior, or any type of gang activity or involvement will be dealt with as per the Granite District Safe Schools Policy.

SEXUAL HARASSMENT

Any form of sexual harassment by staff or students, including any inappropriate verbal, written, or physical conduct is strictly prohibited and violators of this policy will subject themselves to investigative and disciplinary procedures. A more extensive definition of what constitutes harassment is available upon request. Any student who feels they are being subjected to harassment should report the problem immediately to any staff member at the school. Students should not feel embarrassed, intimidated, or reluctant to file a harassment report.

TRESPASSING

It is unlawful for any person to loiter, idle, wander, stroll on or about the school premises, either on foot or in any vehicle without having some lawful business there. Individuals who have a viable reason to be on school property must report to the front office and request a visitor's pass. Individuals who violate this policy are subject to law enforcement referral and/or Administrative Intervention.

Individual and group counseling services are provided to students by school counselors who have access to student files which contain grades, standardized test results, interview records, student history, and activities in which the student has participated. Using the information, counselors are in excellent positions to help students understand their abilities, aptitudes, and personality. With such help students are able to make better class selections and be integrated into the school program. Students and teachers are urged to make use of these counseling services in the counseling center.

KNOW WHAT TO DO DURING AN EMERGENCY ALARM?

Schools in the Granite School District are required to hold fire and security drills at regular intervals to insure proper evacuation of the building in case of emergencies. Use the exit route designated by the fire drill card in the particular room you are in at the time of the alarm. Students will be instructed when to return to class. Evacuations may be signaled by the fire alarm, P.A. system, or bull-horn. Evacuation drills are a serious matter and should be conducted promptly and in all earnestness.

Students will be required to complete a vehicle registration card that will need to be signed by their guardian before being allowed to purchase a sticker.
