**Guests:** Kimberly Sommer

**School Play**—You Can't Take it With You – Brian Fuller shared the plans for this play and they were approved.

**Parent/Teacher Conference Format:** Jana Rupp

- Concern it takes a long time
- Put forth a scheduled time for parents at the beginning then an open time after that.
- 4:30-5:50 – 10 minute scheduled appointments -- run this in the commons area and the gym so that they can quickly move from one teacher to another
- Using a scheduling software or google form or sheet

**Mental Health Resources:** Kimberly Sommers shared what she can offer for mental health support

- She also can give them resource list of where they can go for help
- Teachers also can go for support
- What is the school doing to help students with suicide, anxiety, and depression
  - Harbor Videos once a month
  - PBIS themes each month
- § This month is anger management
- § Next month will be the
  - YouTube link should be available to parents on the school website – These are posted on the school YouTube Channel – by date
  - Mentor program – for students
  - Teachers in the halls after each class

### **Parent Center**

- 3 different Hispanic, Native American, Pacific Islanders -- parents that are helping with support
  - Students who are behind,
  - They reached 240 parents last month
- § Parent orientation
- § Had 20 who came in and were able to get them registered
  - This month working with counselors to identify 35 students that families need support for Thanksgiving meals
  - They are working with the Progress Towards Graduation to contact parents to get involved in getting their students graduated.
  - Still looking for refugee and vietmanize volunteers
