- Is there a place to see lesson plans for teachers helps

Board Members --

- May have had the cart before the horse
- Some teachers understand or have been trained. Others have not this is a challenging
- Teachers need more training
- Dawn Houser now at the district is not over PBL
- There are banks that have rubrics and standards pre-made, assessment banks

- Language Arts is working through some concerns and the changes in their grading
- We have a 4 year plan
