

Granger High

2022 - 2023 School Behavior Plan Summary

The purpose of this plan is to communicate our school's efforts to one, build and maintain a culture of positive student behavior; and two, to address the serious issues of bullying, suicide, and substance abuse prevention. This plan addresses state requirements found in: § 53G-9-602, § 53G-10-407, R277-400-8, R277-609-2, R277-622-3, and R277-609-4.

District Commitment: Every school in Granite School District will offer a learning environment where safety, responsibility, and respect prevail and where every student receives support toward achieving academic goals and personal aspirations.

Section 1: Schoolwide Tier I Positive Behavior Expectations

Granger High uses Positive Behavior Interventions and Supports (PBIS), which is a district and state supported behavior program. As part of our PBIS we proactively teach and reinforce these behavioral expectations to all students and staff and throughout all areas of the school.

Thoughtful, Empowered, Connected

Pro-social activities or programs that provide a positive extracurricular involvement for students:

Lunch with the Principal, School Dances, School Assemblies, Class Fieldtrips

Section 2: Bullying Prevention

Our school is committed to protecting students from all forms of bullying including cyber-bullying, hazing, and retaliation. Our students have the right to a safe, caring, and respectful learning environment in which all students can realize their maximum potential and fully engage in the learning process. Our goal is to raise awareness of bullying as an unacceptable form of behavior (*prevention*) and to have measures in place to deal with bullying behavior when it occurs (*intervention*).

Bullying Defined	Resources
<p>Bullying includes these three components and can include bullying, cyber-bullying, hazing, and retaliation:</p> <ol style="list-style-type: none"> 1. Unwanted or aggressive behavior involving a real or perceived power imbalance 2. Intent to hurt, intimidate, humiliate, or cause harm - AND- 3. The behavior is repeated or has significant potential to be repeated -OR- a single egregious event 	<p>District Bully Prevention Information & Resources</p> <p>What happens when bullying is reported?</p> <p>Stop Bullying Now</p> <p>Granite District Bullying and Hazing Policy</p> <p>SafeUT</p>

Teaching, reinforcing, and correcting our positive behavior expectations described in Section 1 are key components of our bully prevention plan. In addition to the schoolwide expectations, we have specific bully prevention practices that address bullying incidents and give support for students who have been targeted. Following is a summary of those practices:

How bullying prevention is taught	Steps taken when bullying is reported	School supports for targeted students
<p>As often as needed in classrooms, individual interventions, Anti-bullying assembly, Safe UT app, GTV school news, sporting event fan expectations</p>	<p>Administration notified, incident investigated by appropriate personnel (social worker, administration, counselor, resource officer, BST, etc.) , parent and student meeting, consequence/steps using restorative practices</p>	<p>No contact contract, Granger Safe contract, structured lunch/classroom time, student support tracker, implementation of safety plan</p>

All reported incidents of bullying are taken seriously and are investigated by or in collaboration with a school administrator following the steps listed above. Incidents are documented on Educator's Handbook (our school's behavior tracking system) and/or on Discovery (our district's student information system).

When a teacher or other school personnel becomes aware of a bullying incident this information is promptly given to school administration. Additionally, we encourage anybody who is targeted by bullying, witnesses bullying, or is aware of bullying occurring to report it to a school administrator, a school counselor/teacher, other trusted adult, or by using the SafeUT app.

Section 3: Suicide Prevention

Understanding the issues concerning suicide and mental health is an important way to take part in suicide prevention, help others in crisis, and change the conversation around suicide. In our school, age appropriate curriculum is used to teach students how to identify risk factors and warning signs of suicide, and how to help if they or someone they know may be thinking of self-harm. Reports of suicidal ideation are reported to administration to provide supports and communication to student and family. The Student Support referral and documentation process is followed.

How and when our school teaches suicide awareness	How our school responds to reports of suicidal ideation
Whole class explicit instruction, counselor meetings and presentations, social worker meetings, posters throughout the school, teacher trainings offered yearly.	SST referral, referral to social worker, parent communication, student and parent meeting, counselor meeting, administration support, district support/resources, community resource lists provided to families

Section 4: Substance Abuse Prevention

The Granite School District and Granger High are committed to the prevention of drug, alcohol, tobacco, and E-cigarettes/vaping use by our students and are aware of the connection and affect these have on physical and mental health and on learning. A key component is INCREASING protective factors and REDUCING risk factors in a student's life. As with other behavior expectations, our school teaches, reinforces, and corrects substance abuse prevention and follows the district substance abuse policy.

Substance abuse prevention learning	Consequences of violation	Substance abuse prevention resources
Counselor presentations, GTV school news and announcements	<p>Possession/Use of Nicotine: 1st Offense Suspension, Quit course 2nd Offense Suspension, Citation 3rd Offense Suspension, Citation</p> <hr/> <p>Possession/Use Drugs and Alcohol: 1st Offense Suspension, Quit course 2nd Offense Alternative placement 3rd Offense Prolonged alternative placement</p> <hr/> <p>Selling/Distributing: Alternative placement for 90 school days</p>	<p>For Parents: Marijuana Talk Kit Parents Empowered Partnership for Drug-Free Kids</p> <p>For Students: NIDA for Teens Above the Influence Just Think Twice</p> <p>For Educators: Foundation for a Drug-Free World Prevention Dimensions Curriculum NIDA Educator Resources</p>

Section 5: SST and Tier II & III Interventions

An important part of our School Behavior Plan is the role of the Student Support Team (**SST**). The SST meets weekly and reviews applicable schoolwide student behavior and/or academic data in Educators Handbook, Gradebook, and Discovery as well as district provided reports such as the SHARP Survey to review the effectiveness of the School Behavior Plan and suggest modifications when needed. Administration regularly shares important behavior and misconduct data with teachers and staff.

The SST also works to identify students and/or groups of students who need additional levels of behavior supports and interventions. Below is a list of our Tier II (**Focused Supports**) and our Tier III (**Intensive Supports**) interventions.

Tier II Interventions	Tier III Interventions
Student tracker, small group interventions, accommodation passes, meetings with Social worker, meetings with school psychologist, admin weekly check-ins, routine parent meetings, home visits, student advocate	Behavior contracts, 504s, IEPs, increased frequency in Social Worker meetings, increased frequency in school psychologist meetings, support from MTSS team, frequent independent interventions

Section 6: Communicating Plan

This plan is updated annually and made available on our website at the beginning of each school year and is also disseminated to patrons and school staff.

Patrons: Posted on our School webpage, PBIS posters posted throughout the school, social media, community meetings, parent/teacher conferences.

Staff: Included in our digital faculty Manual, reviewed in faculty meetings, reviewed in Task Force meetings, reviewed in PLCs as needed.
