

GRANITE PARK JUNIOR HIGH

Community Council Minutes February 2023 Meeting

1. Welcome – Attendees: Chris Griffiths, Larry Maddox, Ariel Thornton, Emily Spencer.
2. Approve Minutes from January Meeting – motion set and member approved.
3. Review our School Improvement Goals – see chart below. Discussion on school data relating to goals occurred as a SCC.
4. SCC and potential scams
 - a. GSD will never ask for personal info or for you to purchase anything. *This topic was discussed with SCC. When in doubt contact principal with questions. School and principal will never contact anyone asking for financial assistance.
5. Review existing Land Trust Plan Summary – current trust lands plan reviewed as a SCC. Information relating to Growth Measure data presented as well as the how current funds are being used in school.
6. Review Growth Measure Data
 - a. Discussion Land Trust Goal for next year – data linked to school needs. Discussion relating to next year's plan occurred. This info will be reviewed to entire SCC at next meeting.
7. Questions/Discussion Items
 - a. Discussion relating to Parent Teacher Conferences occurred.
 - i. What went well and what should we improve.
 - ii. Parent Center review. How can we get more diversity involved in our school. Our parent center attendees have increased this year and we want to find ways to have more diverse parents attend SCC and other school events.

Our three School Improvement Goals are:

1-Academic Learning Goals	2-Social Skills and Dispositions Goals	3-Talent Development Goals
1a. On the 2023 RISE assessment, Granite Park's school MGP will increase from 44 to at least 49 in all RISE tested subjects. *We are currently at 42.	2a. During the 2022-2023 school year, the overall daily student attendance rate will meet or exceed 90%. We are currently at 85%	3a. Granite Park will reduce the number of teachers leaving our school at the end of the year by 50% (from 10 last year to no more than 5). We have had 1 teacher resign this year.
