5. School Data Share Out
 - a. School Accountability Data and impact on Comprehensive School Improvement (C.S.I.)
 - i. School accountability score and process was presented with SCC. Focus was placed on Granite Park score and growth of accountability score. Discussion also occurred relating to steps Granite Park is taking to move out of Continual School Improvement and the scores needed to exit.
 - b. Educator Handbook Data – impact of PBIS and school systems

- i. School data was shared with SCC relating to behavioral referral system in school and the drop of behavior referrals school wide. Discussions continued relating to focus on relationships and willingness of students to manage behavior more successfully.

C.I.P. Goals

1-Academic Learning Goals	2-Social Skills and Dispositions Goals	3-Talent Development Goals
Compared to 2023 RISE results, each tested subject will see a 5% increase in the number of students who achieve proficiency on the 2024 RISE assessment.	At least 90% of students at Granite Park will utilize the Graduate of Granite standards to reach a 2.5 CPA each quarter during the 2024 school year.	100% of PLTs will meet at least 3 times each month, when possible, prepare each meeting with agendas, student data to review, and follow a data protocol for the purpose of problem-solving student learning on standards.
