Why should I take this course?

Animal Science is a great class if your interest is in livestock production. Classroom instruction integrated with hands-on farm applications. This class will include FFA supervised agriculture experience in Animal Science. Career areas include veterinary, rancher, agribusiness, and general animal husbandry.

You will Learn:

- Basic biological systems of large and small animals
- Feeds and nutrition
- Health care and disease control
- Genetics and breeding
- Showmanship
- Live animal evaluation
- FFA Leadership

Granite School District is committed to providing educational and employment opportunities to students without regard to race, color, sex, religion, age, national origin or disability in accordance with Title VI of the Civil Rights Act of 1964, Title IX of the Educational Amendment of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and the Americans with Disabilities Act.
