

ANIMAL SCIENCE 2

Who should take this course?

If you enjoyed your time in Animal Science 1 and wasn't ready for it to be over yet, this is the perfect step for you.

We continue learning about all the livestock animals from Animal Science 1 and go much more in-depth with their care and needs. We also cover all different types of livestock animals to broaden your animal knowledge. We continue going to the farm and working with all the animals there.

Topics Covered

- Livestock Production
- Alternative Animal Industries
- Planning Facilities
- FFA Leadership
- Live Animal Evaluation
- Showmanship

Career Paths

- Veterinary
- Animal Biotechnologist/ Geneticist
- Animal Nutritionist
- Agribusiness
- General Animal Husbandry
- Animal Caretaker/ Operation Manger
- Zoologist

To Register, submit a GTI Application (signed by parent).

Visit the GTI website or contact your school counselor for an application.
