

CERTIFIED NURSE ASSISTING

Requirements:

40-46 hours of clinical experience with real patients in a Skilled Nursing Facility is required for this CNA course. Students will attend weekday evening and Saturday morning clinical shifts at our contracted Skilled Nursing facilities, supervised by one of our UNAR licensed Registered Nurse Instructors. Students will work side-by-side with Certified Nursing Assistants taking care of their patients. (.25 extra high school credit is available for completing the clinical experience). Must have own transportation to clinical facilities.

Optional certifications/fees: \$25 food handlers permit for clinical hours. UNAR state certification test fee \$90. CPR/First Aid certification \$35.

Topics Covered

- Human Anatomy
- Medical Terms
