

# ORIENTATION TO EDUCATION / TAP 3

Teaching  
CREATES  
ALL OTHER  
Professions

**If you have ever thought of being a teacher, this class is for you! This course will familiarize students with professional responsibilities of an educator or teacher.**

- Practical experience in elementary and secondary classrooms.
- Exploration of all education careers.
- Students will explore the impact of multiculturalism, diversity, and economic factors in the classroom.
- Various types of instructional methods will be experienced, as well as effective classroom management techniques.
- Students will plan lessons and demonstrate how to teach a lesson topic.
- This will give you a head start in college with concurrent enrollment through SLCC.

## Topics Covered
