

# Portal Migration Overview

**Around January 8<sup>th</sup>, Portal.graniteschools.org will be mapped to Focus.graniteschools.org**

## Portal changes for Staff

Employees can now see icons on the Focus portal page redirecting them to 'Employee Portal' for existing employees and 'QSS Employee Self Services' for previously employed staff.

Granite employee portal will take them to a new employee portal page with employee specific tiles. This page has the URL of <https://staff.graniteschools.org>.

## Portal Changes for Parents:

Parents will login to Focus for access to Canvas, Pick a Time, PayPams and Student Documents. Informational text on the Focus portal pages informs parents about the need to login to the page to get to the icons that were on parent portal.

The image shows a login page for the Focus portal. At the top left, there are two input fields: "Username" and "Password". To the right of these fields are two buttons: "Sign in with Student" and "Sign in with Staff". Below the input fields is a "Log In" button. A pink rectangular box highlights a message: "For Parents: Log in to Focus (above) for access to grades, attendance, links to Canvas, Pick a Time, PayPams, student documents and more." Below this message are three orange buttons: "Click here to register for a new account", "Click here to add a student to your existing account", and "Click here if you forgot your login". Below these are three blue buttons with Spanish text: "Haga clic aquí para crear/actualizar su cuenta de portal de padres de Focus en español", "Haga clic aquí para agregar un estudiante a su cuenta existente", and "Haga clic aquí si olvidó su nombre de usuario". At the bottom, there is a section for "For Employees:" with two buttons: "Granite Employee Portal" (with the Granite School District logo) and "Previously Employed Payroll Information" (with a person icon).

Previously Employed Payroll Information

After logging in parents can select the tile to launch the program.

The screenshot shows a school portal interface. On the left is a navigation menu with items like 'Portal', 'School Info', 'My Profile', 'Communication', 'Preferences', and 'Calendar'. The main content area is divided into sections: 'District & School Announcements' with a 'News' tab and an alert about outstanding invoices; 'Grades' for 'Hunter Elementary' and 'Kennedy Junior High' with tabs for 'Grades', 'News', 'Planner', and 'Reports'. The 'Grades' section displays a table of student performance. At the bottom, a 'Links' section is highlighted with a pink border, containing five tiles: 'Clever' (with a note about student accounts), 'pick A time' (with a note about availability), 'canvas', 'Pay for school meals online with paypams', and 'Documents' (with a note about report cards and test scores).

## Other Information:

- Many school already have the tiles for Pick a time, Canvas and PayPams on their school pages.
- We purposely required a parent to login to get to the tiles so they would also see their student progress information.
