OLIVERS SHOW ON SATURDAY

Dear Community Member,

This year Hunter High School is presenting “A Show for Oliver” on Saturday November 17th at 2:00 pm that is specifically for kids and families with autism and special needs. We would love to have your help in spreading the word to anyone who may be interested in attending.

We are making the performance sensory friendly by reducing sounds, having brighter lights and break areas for anyone who needs it. We want to provide a judgement free zone for families to enjoy the show together where they can get up, dance, walk, shout or sing!

There is special pricing for the event with all tickets priced at \$3 per person. Tickets can be purchased at the door or at www.hunterhs.seatyourself.biz

Please email (kparkes@graniteschools.org) if you have any questions.

THANK YOU & We look forward to seeing you at “A Show for Oliver!”
