Membership **unanimously approved** the review of the meeting.

Business:

None.

Trust land Funds (2020-2021) Update:

The remaining funds will be used to pay for additional para educators throughout the building. We had some professional development planned for the beginning of the year but due to COVID-19, the training was unable to take place.

Trust land Funds (2021-2022) Proposal

Currently the Trust land website is down so we are unable to create the formal plan for approval yet. However, the following items have been proposed for the Trust Land Funding:

1. Adapted tricycles
2. New iPads
3. Materials and/or technology for communication support
4. Paraeducator wages
5. In addition, we would like to purchase “big-technology” including non-glare boards for our two classrooms receiving Screen Beams.

Interventions/Professional Development:

No Trust land funds interventions in 2020-2021. Potential for some professional development for staff covered under CARES funding.

Principal Update:

- The 2021-2022 School Year will take place in person with students in school 5 days a week.
- At this point in time, during the 2021-2022 school year parents will have to apply for their children to learn via “distance learning.”

Other Items: none.

Next meeting: At the beginning of the 2021 – 2022 School Year

Adjourned: 10:30 am
