 - a. Discussed new uses for new technology
2. The remaining funds will be used to pay for additional para educators throughout the building. We had some professional development planned for the beginning of the year but due to COVID-19, the training was unable to take place.

Trustland Funds (2021-2022) Initial Conversations:

We must start developing our plan for the trustland funds for next year. At this time, Janice proposes using the funds for additional technology and more para educators.

No trustland funds interventions in 2020-2021. Professional development covered under Arbinger.

Principal Update:

- We are continuing all of our protocols set in place at the beginning of the year in regards to COVID-19.
- Thus far, our increased cleaning procedures and mask wearing has decreased our overall cold and flu cases we usually see this time of year.
- Educators in Granite School District are beginning to be given the choice to participate in the COVID-19 vaccine.
- At this point in time, Janice is unable to speak to next year or ESY, will be determined at a later date.
