**Minutes:** April was an informal meeting due to not having a quorum. As such, notes were read, but minutes did not need to be approved. Senator Kris Nguyen rode the bus in with Danette and stayed to work as a para for the entire day in Samantha Harris' class. Both are actively advocating for higher pay for our para educators.

**Business:**

1. We will need to elect new parent representatives. Parents need to have a student currently at Hartvigsen. While terms typically are for 2 years, a 1-year term is approved for quorum. Parents may serve consecutive terms. Felicia will send out an application to parents for declaring candidacy. Candidacy must be declared by August 17<sup>th</sup>.
  - a. Friday, August 18, 2023 Schools notify Darla either that they do not need to hold an election, or send the completed Candidate Information for Online Elections form.
  - b. We will only hold elections if we have parent applicants.
2. Kym suggested that we educate parents about what the Community Council is about. She suggested that we perhaps mention it at the Luau.
3. Discussion on how helpful it would be for parents to advocate for our para educators. The district website has a link to find the school board members email addresses.
