### **Recess and Air Quality**

Student health and safety is our primary concern. Our school monitors air quality indexes and takes appropriate action based on guidance from the Utah Department of Health.

This short version of the Air Quality guidance is based on The Utah Health Department and State Air Quality Index. If you have any questions, please refer to Granite District Policy on Recess and Air Quality or contact our school.

**Green:** Outdoor play is safe for all students

**Yellow:** Students with respiratory symptoms and sensitive students stay indoors.

**Orange:** Unhealthy for sensitive students.

**Red:** All students indoors.
