Hartvigsen Post High Students after their work shift at Chick Fil A
Happy Spring Everyone!

I hope this finds you enjoying the warmer weather and the beautiful flowers starting to bloom. As we enter the final month of the school year, we are thrilled to share with you some exciting news about our upcoming end-of-year events, including our highly anticipated graduation ceremony.

Graduation ceremonies are always such special occasions, and we believe in honoring every student's journey. This year, we will include students completing their last year in Post High and also Seniors completing High School to take part in the graduation ceremony. Please note that once all post-high students have had an opportunity to attend their graduation ceremony as a Senior, (in the next two years), the focus will shift to celebrating our seniors exclusively. This aligns with the practices of other high schools and their senior classes.

We are also excited to celebrate the end of the school year with fun activities planned for your kiddos, such as field day, assemblies and the much anticipated, Art Walk. Parents are invited to attend our Art Walk (more info to follow), to enjoy seeing their student's masterpieces, displayed.

As always, we want to express our appreciation to you. Your support and encouragement play a significant role in your student's success, and we are grateful for your continued partnership as we make these final weeks of the school year truly memorable for our students and staff.

Felicia Wood

Hartvigsen School Principal
