

# September

## Hawk News

### Limo Lunch/Student of the Month

Each teacher will have the opportunity to nominate two students as a student of the month. These students are recognized with a ride in a limousine to Arby's for lunch. They also have their picture posted and a short written explanation of the reason they were nominated. This happens on the second Tuesday of each month. Watch for those permission slips to come home!

### SEP Conferences

Parents, SEP Conferences, or Student Educational Plan Conferences, are an important part of your child's education. It is an opportunity for you to talk with your child's teacher about the classroom, goals, homework, grades, and your child's needs.

Our teachers are wonderful, but they are only part of a child's education. Parents and their input are important too. We need you and your ideas!

### September Calendar

Sept 28 NO SCHOOL

### Home Visits

Most teachers will be calling to set an appointment for a home visit with each student and their family. These visits are designed to help teachers build relationships with every student and family. We can't wait to visit with you!
