April 1, 2020

Dear Parents,

We understand these past few weeks have been filled with chaos and uncertainties for you and your students. Our staff has been delighted to be able to serve meals and provide some consistency in a time where your kids may be nervous and anxious. To see their smiling faces and have interaction has been a highlight for Nutrition Service employees throughout this time.

As you know there is a State mandated 'Stay at Home' in place to protect you and your families and we must protect our staff as well. Due to the restrictions, we must change our operation to meet the mandates but most importantly, so we may continue to provide meals to your children in the safest manner possible.

Effective April 13, 2020, the following sites will be open for your students to receive breakfasts and lunches, Monday through Friday from 11:30 to 1:00:

Queridos padres,

Entendemos que estas últimas semanas han estado llenas de caos e incertidumbres para ustedes y sus estudiantes. Nuestro personal ha estado encantado de poder servir comidas y proporcionar cierta consistencia en un momento en que sus hijos pueden estar nerviosos y ansiosos. Ver sus caras sonrientes y tener interacción ha sido lo más destacado para los empleados del Servicio de Nutrición durante todo este tiempo.

Como usted sabe, existe un mandato estatal de "Quedarse en casa" para protegerlos a ustedes y a sus familias, y también debemos proteger a nuestro personal. Debido a las restricciones, debemos cambiar nuestra operación para cumplir con los mandatos, pero lo más importante, para que podamos continuar proporcionando comidas a sus hijos de la manera más segura posible.

A partir del 13 de abril de 2020, los siguientes sitios estarán abiertos para que sus estudiantes reciban desayunos y almuerzos, de lunes a viernes de 11:30 a 1:00:
