To whom it may concern:

Hunter Elementary School is located in West Valley City, and serves grades K-6. We have approximately 600 students at our school, with a staff of approximately 50. We are known as the Knights, and our motto is "Be Safe, Be Responsible, Be Respectful." We try to live by that as adults and educators, and also try to teach our future generations.

Hunter Elementary has made it a goal to go "above and beyond" in serving our students and community. We offer an after school program every year, which is very popular with our students and parents. We have several aPARENTly Fun nights every year, in which the parents join the students at the school for activities, and IMAGINE it learning every morning, to help students who may be struggling with reading skills.

But, we can't do it alone. As you know, the funding that public schools receive just isn't enough to cover all the needs of the students and community. We need your help. As a sponsor for Hunter Elementary, you can help in several ways. We can always use donations of supplies or money, as well as volunteer hours assisting teachers with students that may need extra attention.

Your help, big or small, is appreciated and will go towards building a better future. . .one student at a time.

Thank you,

A handwritten signature in blue ink that reads "Matabe Hava".
