6. Technology Resources Laptops Computers- approved

The last day to request funding is May 8th so three more proposals were discussed if there are still funds available.

1. Smart Boards for Science Department-approved
2. Laptop for World Language Department- approved
3. Text Books for Freshman Academy Classrooms-approved

Topic of Discussion:

Members of the community are hearing negative feedback and concerns over the changes with the incoming 9th grade to Hunter. Gayleen Gandy addressed the council about this issue and gave advice as to how to respond to the negativity. She suggested a reminder of the work and preparation that was done before the decision was made as well as a list of the positive benefits for having the freshman housed in the high school.

Meeting adjourned **5:15pm**
