New Business:

1. January 17th (Tuesday!) CC meeting @ 4:45 with Network meeting with Ben Horsley/Don Adams @ 5:30 p.m. – All Hunter Network schools will be invited to attend this portion of our meeting (starting at 5:30pm). It was requested that ALL Community Council members be in attendance at this meeting so that we may have the information necessary to respond intelligently and knowledgably to other patron's questions and concerns.
2. "Community meeting" sometime in late January or early Feb. at 6:00 p.m. in the auditorium.

During the months of January and February, Ben Horsley and Don Adams will be hosting "community meetings" at each of the High Schools in the District. These meetings are concerning the future of Granite School District. They will be discussing the Facility Master Plan and possible funding solutions. In advance of each of these meetings, Ben would like to meet with the Network Principals and School Community Councils. He knows that you are the first ones that are contacted if there are questions, and he would like you to have the information before the community meeting.

Proposals:

1. Professional Development – Japanese Conference in D.C. - (Moses, \$60.00) – Approved unanimously with a change in cost to \$400. (There was a discussion about how unprofessional some of the requests appear. It was brought up that most of these requests are done on a form where there is not a lot of room to be creative or fully state what one would like. There are also second language considerations with this particular teacher. It was also suggested that if there is an issue with the way a request appears, it should be the treasurer's

responsibility to speak with the teacher about how their future requests should be filled out so as to appear more professional.)

2. Professional Development – Music Education Workshop – (Miller, Josh \$282.20) – **Approved unanimously for up to \$350.**
3. Professional Development – AVID Summer Institute – (Johnson, Shannon \$19,328.60) – **Postponed until our January meeting so Mr. Stauffer can be in attendance and more information can be gathered from Shannon Johnson regarding who will be attending. We are supposed to have a higher percentage of our teachers trained in and using this program.**
4. Curriculum/Educational Resources – Lifetime Sports Fieldtrip – Allen, Ellis, Henderson (\$1,352.00) – **This covers both semesters classes. They will be traveling to a local bowling alley. – Approved unanimously**

Comment Time – The counselors did hold a FAFSA night in which 91 students attended and applied for FAFSA. In the future, this will most probably be held in connection with college week here at the school and they will be done together and not held on a separate night. The information is now available much earlier online.

Next Meeting – Tuesday, January 17th, 2016 @ 4:45 p.m.

Adjourn – 5:07pm
