Trust lands opening balance: \$343,068.00

New Business:

1. Welcome by Ryan Oaks

Mr. Oaks is pleased with how well the students are doing in the school. He is concerned about how well the teachers and administration are keeping up with the Distance Learning students, and wondering if they are “falling through the cracks”. There was an email snafu that had some seniors and their families concerned about covid quarantines. Mr. Oaks is working with the District to fine-tune the communication process, and eliminate confusion with emails to parents and families. The protocol for covid safety is that if a student or staff member tests positive, anyone that was less than six feet away for more than 15 minutes will be notified and placed on a two week quarantine. If the school reaches 15 positive cases, the school will move to distance learning for two weeks. If the county moves to “orange” phase, then the district board will meet and decide what and if to modify the schedule.

2. Introduce members of council – check emails

3. Election of Cindy Davis as chair and Roxanne Ohran as vice-chair by unanimous votes

4. Election of Tyler Perkins as treasurer by unanimous vote. It was agreed that Esther Olschewski would continue as secretary.

5. HHS Community Council meetings are usually held on the 3rd Monday to follow Committee meetings and Rep. Council Meetings. As such, it was agreed to continue to hold them on the 3rd Monday of each month (and where the 3rd Monday is a holiday, the meeting will be held the following Tuesday.) Meeting times were established to be at 4:30 pm.

6. In reviewing of HHS Rules and Procedures, it was reiterated that attendance is crucial, and that after 3 unexcused absences, council members will be replaced.

7. The council was not able to sufficiently review the Final Report and discuss last year’s goals since the final school grades and reports will not posted until January of 2021.

8. There is a 2020-2021 Allocation of 314,089.00. There was a carryover of \$28,979.00 from last year. That provided a balance of \$343,068.00. Currently, the revised budget allotted for \$316,015.19, which credit “Extra monies” of \$27,052.81 that were not allotted to a category. The council voted to placed the \$27,052.81 into the Technology account to provide more room in the budget for replacing Chromebooks, since students are carrying them with them all day, and the current stock are being used more. There is also the understanding that if the money is not needed for technology, that an amendment can be filed to budget the money for another more-needed project in another category.

9. The Professional Development trips are not planned to take place in-person at this time.

However, monies in that category will remain there, as there may still be a need to workshop fees and substitute teachers if the Professional Development training takes place virtually.

Proposals:

1. Professional Development – Department Academic Advisors (Ohran \$8437.76) Approved Unanimously
2. Professional Development – Professional Development Team (Ohran \$9,228.8) Approved Unanimously
3. Curriculum/Educational Resources- AP College Board Exams (Benally & Travis) \$24,000.00) Approved Unanimously

Ending Balance: \$304,401.44

Next Meeting - October 19, 2020 at 4:30pm

Adjourned at 6:23 pm
