

Community Council Meeting Agenda | 2015/2016

Date/Time /Place

October 8/4:00pm/HJH Room 115

Call to Order/Roll Call

Present were: Kendra Smith, Vernalei Jacobsen, Melissa Farnworth, Karen Nelson, Kerry Bishop, Doug Wagstaff, Steve Hogan, and Brittany Piper. Absent: Richerd Heaps

Ben Horsley and Steve Hogan from the District on possible Boundary changes.

Steve Hogan introduced the proposed boundary changes which would include bringing students from West Valley Elementary and Orchard Elementary from Matheson Jr. to Hunter Jr. next year and sending students from Jackling Elementary and Carl Sandburg Elementary to Kennedy Jr. instead of Hunter Jr. This would increase Hunter Jr.'s enrollment from 640 to approximately 820 students.

Questions were asked about busing students over from the Sandburg and Jackling neighborhoods if they received Special Permits to come to Hunter Jr. It was also discussed how difficult it would be for those students from Jackling and Sandburg to remain at Hunter Jr. having begun here as 7th graders.

Mr. Hogan spoke to the reason the boundary changes were required due to a shift in the Cyprus Network and the possible absorption of Brockbank Jr. into Cyprus High School and this would also help in equalization in enrollment with the junior highs.

The increase would be a benefit to Hunter Jr. in scheduling classes and the flexibility in scheduling, plus help to more effectively use the building.
