Elections for 2016-2017 year

We discussed the make-up of our Council. We wonder if we should move the council to four parent members and two employee members. With the decrease in enrollment and some of the difficulty we had filling the positions, it was mentioned this may be an option. If there were more people interested, then we could expand back to the five and three. We put that on the agenda for May and have a vote.

Principal's Report

LAND Trust follow-up for this year and next.

We spent LAND Trust money nearly \$37,000 and bought 180+ Chromebooks and four storage carts. It was mentioned that we spent more last year on Chromebooks and bought less. Prices went down quite a bit.

Scheduling for 2016-2017 school year.

We have received our FTE for next year. We will have to use our LAND Trust money next year to pay for the Salary and Benefits of one teacher and possibly more.

Next Meeting Scheduled: May 19, 2016
