

Guiding Principles for Parents

We [parents] recognize that, as our children's first and most influential teachers, we can promote their success and contribute to an excellent school if we make and fulfill the following commitments:

- 🐾 We will establish high expectations for our students. We will not accept minimum effort or indifference to quality work.
- 🐾 We will know what is expected in each of our student's classes and communicate with teachers when we have a question or concern.
- 🐾 We will insist on good attendance.
- 🐾 We will provide a quiet time and place in our home for study.
- 🐾 We will insist that our students accept responsibility for their learning and conduct.
- 🐾 We will model the importance of life-long learning.
