

**Jefferson Jr. High**  
**Community Council Meeting Minutes**  
**June 16, 2015**

**Attending:** Jared Reynolds, Deonna Weight, Susan Pate and Richard Kajma

**Meeting called to order at 3:05 P.M. By Deonna Weight**

There was a discussion regarding how to fill bridge the gap between the school and community. It was decided that a “Back to School Night” would help.

- We wanted the time spent that night to be beneficial to both parents and teachers.
- We felt food (hot dogs & chips) would draw parents and families to the school
- Handing out class schedule would draw students
- We wanted teachers to discuss expectations, supplies, homework
- We felt classes to assist parents in using the Granite School District portal would be beneficial
- To be held for both 7<sup>th</sup> and 8<sup>th</sup> grades

We discussed which date to hold the event and decided that before school would be the most beneficial in preparing for school to start. A tentative date of August 14<sup>th</sup>, 4:00 – 7:00 p.m. to was set, to be adjusted as necessary to work the best for teachers.

The tentative schedule for the evening is as follows:

4:00 – 4:30 schedules and lockers

4:30 – 6:30 class rotations

6:30 – 7:00 additional classes (Portal, Gradebook, etc.)

7:00 – Food

There will be planners instead of binders next year.

Tardy policy was briefly discussed. Students need to be on time and prepared.

**Meeting adjourned at 4:03 P.M. By Deonna Weight**
