

# Attendance Matters

## DID YOU KNOW?

### Students who are frequently absent and tardy in Junior High:

- Are more likely to NOT graduate from high school because of lower grades and test scores.
- Have higher rates of suspension and more discipline referrals.
- Have attendance and tardy problems when entering the work force.

### Students who graduate from High School:

- Make \$10,000 more a year than the average high school drop out.

### Students who graduate from College:

- Make \$17,000 more a year than a high school graduate.
- Make \$1,000,000 more over their lifetime than a high school graduate.

## OUR GOAL:

- Maximize your student's learning time in class.
- Prepare them for workplace expectations.

**We care about your student and want them here, in class, learning everyday!**

## HOW CAN YOU HELP?

**Excuse absences or tardies with a note or phone call.**
