

**KEARNS HIGH ASPIRE TESTING**  
**9<sup>th</sup> & 10<sup>th</sup> Grades**  
**7:30 AM -2:10 PM**  
**April 23, 2019**

Kearns High School Parents, Guardians, and Students,

All 9<sup>th</sup> and 10<sup>th</sup> grade students will be taking the ASPIRE test on April 23<sup>rd</sup>, 2019. Make-up tests for the ASPIRE will continue until May 17<sup>th</sup>.

The Utah Aspire Plus is a hybrid of America College Test (ACT) Aspire and Utah Core test items that replaces the SAGE test. This is a computer delivered, fixed form high school assessment for students in grades 9 and 10. The test will include subtests for Reading, English, Math, and Science. The tests will provide students a predictive score for the ACT, which is taken by all Utah 11<sup>th</sup> grade students, and is the most commonly submitted college readiness assessment for local universities.

Students **will be** provided a sack lunch paid from their account or may bring food from home. Students **will not** be allowed to leave the school during the testing day. Food cannot be delivered to students during the testing day. Free breakfast will be offered the day of testing.

Phones **will not** be allowed during the test and must be kept in a backpack or at home. If you need to contact your student or have questions, call the main office 385-646-5380.
