

Kearns High School

"Where destiny is a matter of choice, not chance."

School Community Council Meeting Notes

Tuesday, January 14th, 2020

Parent Members Present: Deonna Weight, Jeralyn Kjar, Susan Pate, Elizabeth Slick, Stephanie Rees

Staff Members Present: Brett Hansen for Maile Loo, Megan Angell, Misty Morrow, Ryan Knowlton, Kathlyn Anderson, Cheri Jacobson

Meeting called to order at 4:30 by Deonna Weight

Everyone was welcomed and informed that Brett Hansen would be sitting in for Ms. Loo. Deonna asked if they had a chance to review the minutes from the last meeting. Jeralyn Kjar motioned for an approval of the minutes and Ryan Knowlton seconded the motion. All were in favor and the minutes were approved.

Trust Land updates were turned over to Megan Angell. There is \$123,700.53 in unencumbered funds. The new panels have arrived and we are waiting for them to be installed. AV will be in the building Thursday or Friday with General Maintenance to look over the classrooms again.

Questions on the budget were called for and there were none.

The February meeting needs to be rescheduled due to Parent Teacher Conferences. Ms. Loo is available on February 10th, 13th, or 18th. The 18th seemed to work for most members and the change was agreed upon. Deonna requested that the change be posted as soon as possible.

Additional Items - Megan Angell shared the request for a new Chromebook cart for the math department at a cost of \$10,101.98 for the cart and Chromebooks. They are almost due for refreshment, but we would like to start the process now. One of the math teachers may not be included in the refreshment as she teaches more science courses than math courses. The old cart will be handed down to our Spanish Dual Immersion program.

The request has also been made to finish the installation of new audio systems in the building. We are waiting on a bid for the final cost. As soon as that bid comes in the cost will be sent to Deonna. Deonna commented that they are fairly old. Misty Morrow, who has had some issues with her new system, believes her old one was better. There is a work order in to fix her new one.

Deonna Weight asked if there were any questions or concerns regarding these requests. There were none and they will be placed on the February agenda for voting.

Final questions were called for and the meeting was adjourned at 4:39.

Next meeting on Tuesday, February 18th, 2020 in the Admin Conference Room.
