

STUDENT WIFI BUSES

Granite School District is sending out a portion of our school bus fleet to serve as Wi-Fi hotspots for students during the dismissal. These specially configured buses will be parked in various high density residential locations throughout the district from 9 a.m. to 5 p.m. on school days to boost our Wi-Fi signal.

View the map on the back of this flier for a full list of locations or visit:
buswifi.graniteschools.org

HOW TO CONNECT

If you are near a Wi-Fi boost school bus, search for the ***GSDBus*** network on your device's Wi-Fi settings.

The password is: ***learning***
(all lower case)

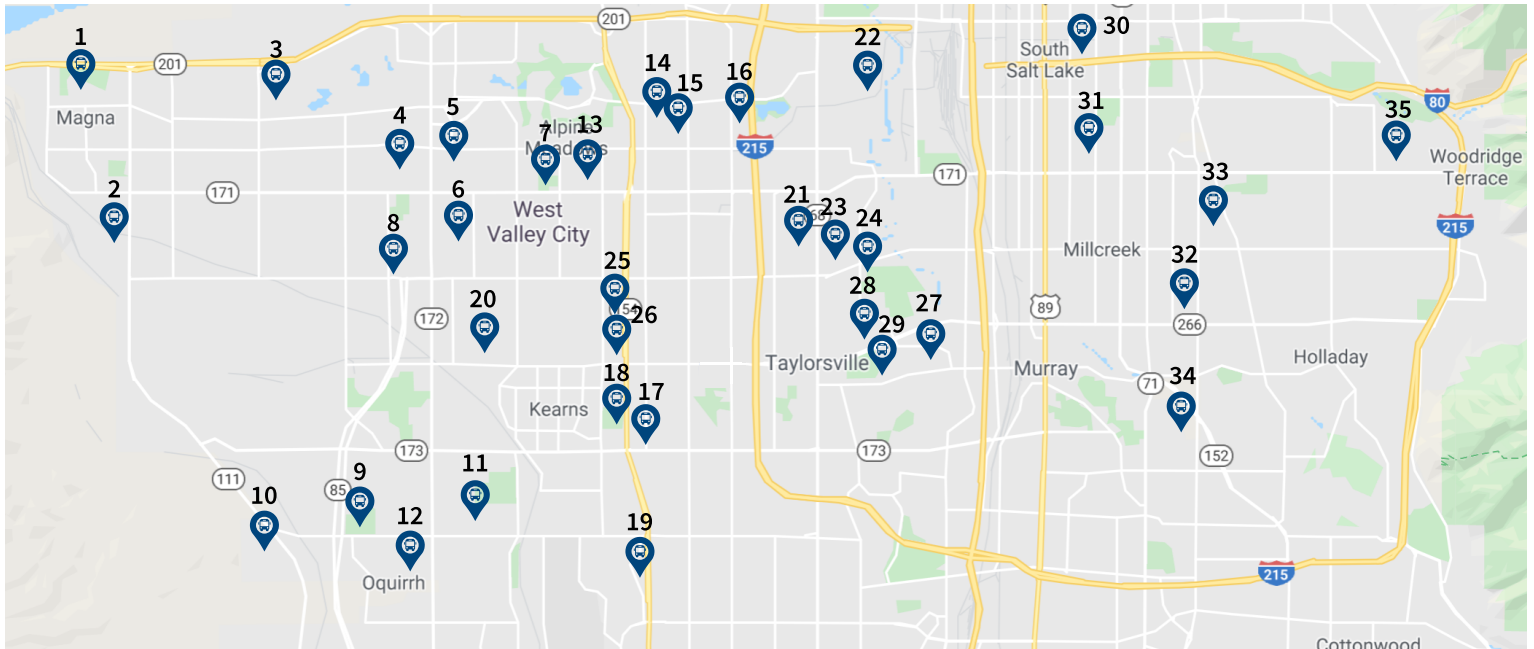

Chromebooks checked out from the school will likely connect to the network automatically.
Like other Granite networks, this network is filtered using iBoss.

*****Please practice appropriate social distancing when near a Wi-Fi bus.*****

If you have questions or need technical assistance, please contact your school directly.
