Approved March minutes

DCC update - Karyn Winder shared they talked about the Portrait of a graduate - what attributes we want our graduates to have focusing more on social/soft skills. They asked for feedback to make a document - similar to what the state has made. They also discussed PBL - one teacher commented that "recency" is causing a lot of issues in grading and also Gradebook vs. Canvas has caused some problems.

2021-22 Land trust budget update - we will be rolling over \$15,213 to next year

2022-23 Land Trust Plan - with the rollover it is projected we will have \$140,600 to spend next year.

SCC openings for next year - Brenda, Jami, and Jennifer will be continuing. We will have 4 parent openings next year.

Dress code - District dress code basically says that parents are responsible to make sure their children are dressed modest and are ready to learn. After some discussion about the current dress code we voted 4 to continue the process to amend the current dress code and prepare something to be voted on for the next 3 years and 2 to just cancel the Kennedy dress code. (Mary Basso withheld from voting to stay neutral in the matter). We then adjourned into a dress code meeting.

Other: A question was brought up about when we will be having a family activity. It will not happen until next school year. Also a question about involving POP (People of the Pacific) and LIA (Latinos in Action).

Adjourned at 3:55 PM. Next SCC meeting will be May 12, 2022 at 3:05 PM.
