We have 3 proposals for ½ day kindergarten teacher.

- Lose ½ day kindergarten teacher, split class between a.m. and p.m. and have 30 students in each class
- Lose ½ kindergarten teacher, but have 3<sup>rd</sup> grade teacher teach a.m. kindergarten class for ½ day while 3<sup>rd</sup> grade students go to the other 2 3 grade classes. After ½ day 3<sup>rd</sup> grade teacher would come back to teach the remainder of that class.
- Use trust land funds to pay for ½ day kindergarten teacher and keep all in place as it is now.

Tim made motion to approve new proposal to keep ½ day kindergarten teacher and use trust land money to pay for teacher.

Amy seconded motion.

All were in favor of new proposal to keep ½ day kindergarten teacher and use trust land funds to pay for the teacher.
