

School Community Council Meeting  
November 5, 2015

Members Present:

Jodi Davis, Abby Carmona Salgado, Becki Monson, Kent Nixon, Afton Lambson, Lindsey Adams

1. Providers for School Turnaround:

- Afton shared a letter from the USOE which outlined the approved providers for school turnaround partnerships.
- November 13, 2015 is the scheduled day to have a provider chosen, but there are going to be presentations at Granite District on Nov. 18<sup>th</sup>, so we are extending the deadline through the district.
- Based on information Afton already received, it looks like we will make a selection of Catapult Learning, School Improvement Network, or Education Direction.
- An example of a plan has been requested from the state. This plan is due March 2016.
- We will probably have an overlap year of work with both UEPC and the new provider.
- The provider will probably gather data and assess our school this year, to help formulate our plan for the coming years.

2. School Turnaround Committee:

- As discussed last month, our committee is our Community Council along with Lindsay Adams and Connie Anderson (school board member)

3. Suggestions and Ideas:

- We will view the SCC training video next month and then discuss any questions we may have.

4. Next Meeting:

- Our next meeting is scheduled for December 3, 2015 in Mr. Lambson's office at 7:30 a.m.
- We will view the training video and also discuss information we have received from the provider presentations on Nov. 18<sup>th</sup>.
