

School Community Council Meeting
February 4, 2016

Members Present:

Becki Monson, Lesa Coleman-Taggart, Afton Lambson, Crystal Ramirez, Jodi Davis, Lindsay Adams

1). Review Minutes

2). SCC video follow up: View if you haven't yet. Afton gave an overview of what Land Trust Money is and about how much we get each year.

3). Possible Land Trust Spending ideas for 2016-17:

- Aides for classrooms is the first priority
- Playworks is a group that comes and teaches staff about structured recess activities. We could look into the funding of this for next year.
- Look into adding a second BHA to help with behavior.

On a sidenote: we are down 2 aides currently. Could we look at making an amendment to our current plan and allow teachers to do pre-SAGE tutoring?

3). Staffing plan process explained:

- Afton explain the staffing process to the members. We will get a projected FTE from the district and Afton will share that with the CC. CC will discuss options and those will be presented to the staff at a meeting. Because of the timing of the FTE notification, we will postpone our March CC meeting until the 10th of March.

4). Next Meeting: March 10, 2016 at 7:30 a.m. in Mr. Lambson's office. Items to discuss are the appraisal results, Land Trust \$ and Staffing.
