

Community Council
February 7, 2020

Members Present: Mr. Collins, JaNean, Wes, Laura,

Agenda:

- Land Trust and Title One Funding
- Middle of Year Pathways of Progress Data
- Safe Walking Routes

Land Trust/Title One Funding

- Land Trust funding will drop to \$62,720
- Historically we use our Land Trust funds to keep paras in order to maintain small group instruction classrooms
- District will give us official FTE in March -- will we be able to keep all paras?
- Land Trust 2020-2021 Plan needs to be submitted by March 27, 2020

- Title One Funding will likely decrease by 25% due to the loss of students with 6th grade reconfiguration
- Milton still has some SIG money that wasn't touched that he can use to cushion the decreased funds
 - Committed to keeping paras for small group instruction and ESL pull-out program to support students

Middle of Year Pathways of Progress

- Milton distributed data that compares schools' Pathways of Progress data
 - percent of students making Typical or Above growth in DIBELS
- Lincoln is doing really well compared to other schools in our network

Safe Walking Routes

- Due to the district February 28
