This meeting, giving updates on what's happening in the school

- Things are going well considering COVID
 - District tracker: Has 5 positive cases. Actually 4 positive cases, 2 students had already quarantined and had a negative test and back at school.
 - All cases are from different grade levels and classes.
- Biggest successes has been masks
 - Only issue: some students forget their masks at home. We can provide them with masks.
- Cafeteria, some fears about that
 - Have number spots.
 - Lunch is a lot longer
- Shift in 2nd quarter
 - A lot of students came back in person from 1st to 2nd quarter. Had some staffing shifts
 - Moved 5th grade teacher (originally hired for kinder) back to kindergarten.
 - Kinder #s are 20 per class.
 - 1st grade remained the same
 - 2nd grade have all 4 teachers in person, one of them also does distance learning
 - 3rd grade remained the same
 - 4th grade remained the same
 - 5th grade doing dual modality. Splitting distance students by subject.
