

School Plan 2020-2021 - Lincoln EL

Goal #1 Goal

Reading Focus: Our paraprofessionals will work with students in small groups under the guidance of the regular classroom teacher. Using this push in model, paras will be working under the direction of the teacher to provide strategic instruction for students. Our rationale for this use of funds is to support our goal in Language Arts of a 10% average gain each year in students Reading at Benchmark as measured by Dibels beginning of the year to end of the year data.

Academic Areas

- Reading

Measurements

We will use Dibels beginning of the year to end of the year results.

Action Plan Steps

We will utilize paraprofessionals under the direction of the teachers to support reading in small groups every day throughout the school year for at least one hour.

Expenditures

Category	Description	Estimated Cost
Salaries and Employee Benefits (100 and 200)	Paraeducators	\$31,360
	Total:	\$31,360

Goal #2 Goal

Goal #2 Math focus: This plan will focus on utilizing our paraprofessionals to assist our teachers with small group instruction. The paras will work with students in small groups to help them gain proficiency in math skills. Using our push in model, paras will be working under the direction of the classroom teacher to provide strategic instruction in Math. Our rationale for the use of funds is intended to support the goal of a 5% average increase on the end of year RISE assessment in Math.

Academic Areas

- Mathematics

Measurements

End of the year RISE results in Math. Our goal is 5% growth in Math from the previous year.

Action Plan Steps

Our paraprofessionals under the direction of the teachers, will support Math instruction in small groups every day throughout the year to target individual needs based on student data.

Expenditures

Category	Description	Estimated Cost
	Total:	\$31,360
