## **Agenda for School Community Council**

### **Welcome/ Introduce new members**

- Jillian Kershaw is new to the council - replacing Laura Pawlowich
- District did a spotlight on the coaching team at Lincoln
- Building relationships with students is so important to Mr. Collins and our school community/ learning

### **Discuss School Community Council Handbook**

- Read through the handbook

### **Budget update**

- Extra Title 1 money - we were able to keep teachers despite enrollment numbers going down

### **Talk about CIP/TSI groups of students**

- Continuous improvement plan (CIP)
- TSI - students with disabilities (students with an IEP), English Language Learners, African American students
  - Focusing on these students to give them extra support
  - Showing improvement with RISE scores will determine our turnaround status
  - This year doesn't count BUT it is still important to use this year to bring test scores up
- This is our school focus this year - previously we have focused on writing, math
- Teacher clarity is another focus for the year
  - Making sure objectives are posted
  - Making sure students are aware of the objectives they are learning
