Agenda

Safe Route to School
Principal is revising plan

Emergency Plan
Where should students go from front of school if emergency vehicles are present? Principal will bring students inside to avoid crowd problems.

SSAP (School Achievement Plan)
Principal will send out report for approval in next week or two.
Should goal be to achieve a year's growth in a year? More?

Parking Lot safety
Reversing the direction of traffic would be illegal.
Handicapped parking stalls must be as close as possible to entrance, and less than 2% grade.
Diagonal crosswalk in west Lot could be discouraged from use, except for handicapped persons.
Create parking spots in northeast corner of west Lot?
Will test some options this week.

Cold weather guidelines
Students will be required to wait inside the building if temperatures are below 22 degrees (including windchill), or with heavy precipitation.
Library may be open on a volunteer staff basis during winter months.
