

Magna Community Council  
August 15, 2016

In attendance:

David Albertsen, chair, parent member  
Brian Hayward, parent member  
Brett Bawden, principal  
Kelly Thomas, staff member

Agenda

Principal's Report

1. Doors widened in gym for safety
2. Parking Lot update (Mr. Bawden will contact Cyprus to see if we can use the new Brockbank drop off area). Keep west lot closed for now.
3. Road to Success (optional, not required)
4. FTE: 573 students as of today (covers current teachers). 0.5 FTE still available. Hire another half-time kindergarten teacher?
5. PBIS: school wide reward system is being developed.
6. Back to School Morning:
7. Some lunch will be after recess

Land Trust Revision

1. We requested 433 ST Math licenses, but only received 279. They cost \$29 each for 164 licenses. We need about \$4700.
2. We have been buying a license for Dibels assessment online for grades 3-6 for \$2700. We could move those funds to ST Math.
3. We have \$1000 for professional development substitutes. We could use some or all of this money for ST Math.
4. We can take money from the "supplies" budget to make up the last \$1000.

Amendments to Plan

1. Remove MClass purchase and use money for ST Math \$2700
2. Remove \$1000 from professional development and use for ST Math
3. Remove books \$500 (if it hasn't been spent) and use for ST Math
4. Remove either \$500 or \$1000 (depending on books status) from supplies to use for ST Math.

Voting: approved unanimously

Agenda for Next Meeting:

Principal's report  
Sage test scores  
Parking lot

Meetings will be first Tuesday of every month at 4 pm.
