

Magna Elementary School

School Community Council 2014-2015

Community council meeting

March 5, 2014

4:00 PM

Attendees:

Jennifer Johnson, Parent Rep

Misty Boyd, Parent Rep

Kim Affleck, Susan Doman, Mrs. Hill: Teacher Reps

Gaylene Gandy, District Rep

Victoria Thomas, Principal

- The month of February was so successful with parent involvement that it was decided to carry over the same idea into March.
- Having B.U.G (Bringing Up Grades) in the evenings has allowed more parents to come. We are seeing more participation.
- College Day is going to happen the same time as SAGE Testing. We are moving ahead with a Monster University theme. Jennifer will get a committee together to discuss ideas.
- We are going to try and keep our Fine Arts program the same. It was suggested that we try and not have fine arts on Mondays. There are too many holidays that fall on Mondays.
- We discussed our enrollment for next year. Hopefully our enrollment will cease to decrease. However, it does look like we will get to keep all of our teachers. We will know for sure tomorrow.
- Ms. Gandy suggested we try taking our older grades to the GTI program at the district. Perhaps it would help the kids realize there are different job opportunities
- We aren't sure how to replace Hollywood Connections
- The boards in the hallway will be removed as soon as Tom is back
- The Learning Center is moving over this week. The Center will only be open for 15 hours a week.
- We are working on a budget.
- The Safe Route will be done in May.
