

Community Council Minutes'

10/8/18

Called meeting to order and reviewed Granite Community Council Handbook.

Appointed Chair- Andrey Glover and Vice Chair Amy Smith.

Reviewed past years council goals, budget vs expenses, and implementation and success test results comparison to goals made.

Discussed thoughts on some of this years concerns which primarily focused on behavioral issues relating to 6th grade. Discussed possibilities of voting as a council to have 6th grade moved to the junior high.

Reviewed items for next months agenda.

Called meeting to a close.

11/12/18

Called meeting to order and introduced parent visitor Bethany Tollman

Introduced agenda items and began with digital citizenship

PTA has already put on white ribbon week to provide training for digital citizenship. This wasn't well attended by parents, but council has voted that PTA efforts met our requirement. We determined that we will send a letter home to promote attendance at the copper hills elementary presentation. 4-0 vote that requirement is met.

Principle Bawden will check on voting requirements for this to ensure parent majority is met.

Safe walking route

Discussed parking lot safety as primary concern. We need to review and inspect walking routes to ensure there are not problems that need to be addressed. Brett forwarded link to boundaries to review and go out to inspect conditions. We will table this to review routes next meeting.

Cold weather guidelines

25 mandatory benchmark for inside school conditions

Optional 26-32 based on feels like temp on local resource or weather service voted upon unanimous 4-0.

Open discussion

Discussed band or orchestra program

Next months agenda items:

Safe walking routes

Band or orchestra

Land trust plan review
