- Crosswalk grant information
 - Brett Bawden (the previous Principal of Magna) provided an email with more details about the \$25,000 grant which was awarded to Magna Elementary. There is a contact person on the email and Misty is going to email them and see if we can get a response for our January meeting.
- Follow-up on After School Program Expansion Idea
 - The council decided to table this discussion until January. Everyone should think of classes that would be applicable to everyone to bring ideas to the January meeting.
 - We did talk about possibly finding a snack for the additional after school classes. April thought maybe the Granite Education Foundation may be able to donate the snack packs for this.
 - April will invite Connie (the after-school program coordinator) to the January community council meeting.
 - Class ideas that were brought up: cooking, yoga, math or reading tutoring
- Budget Review
 - The council looked at the expenses so far and are pleased with how the money is going.
 - The council discussed putting out a survey to teachers to see if there's interest in spending the field trip money.

- The Community Council also discussed the upcoming request for parents to volunteer at least one hour of time to the school starting in Term 3. They are hopeful that this might be something to help unite the parents and community to support the school.
